 - i. If TABE were to hold a hybrid or 100% remote conference on the available October dates not utilizing the Convention Center, could TABE postpone the in-person conference at the Convention Center to October 2025?
 - ii. Could you please provide TABE with a preliminary quote for an adjusted hybrid conference for 3 days between October 25-28 with the following:
 - Tentative Number of Attendees: 150-200
 - Number of Hotel Room Nights: 150
 - Rooms at the Convention Center: Hall A, El Paso Room and Paso del Norte Lobby
 - iii. IF TABE decides to hold the October 2021 Conference 100% remotely due to COVID-19, could TABE postpone the contract with the Convention Center to 2025?
 - iv. Open Discussion: Board needs to decide date and type of conference for October tonight. Board reviewed information/report from El Paso meeting this week with the convention center (President Hernandez, Vice President Hernandez, and Maria Alvarado). Board reviewed/discussed options. Discussed convention center rooms, El Paso Norte/Camino Real conference rooms, and/or hotel conference rooms. Discussed traveling tour of TABE and holding smaller institutes for areas.
